+ You may feel uncomfortable with some scenes in this episode.

Everything began with rain.

It was also a raining day_1

Myo-Jin's earliest memories involve a place in a corner of the sky.

The place was called Oni.

The meaning behind Oni is dirty mud.

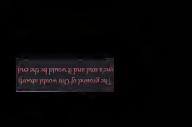
Animals, plants, even Gods could not reproduce on this land.

None of its inhabitants were born there.

All of them came from elsewhere from the Heavens.

Because such a lifeless land made others starve.

It's wrong to hurt others.



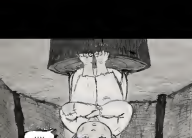
The ground of this world should be the end of the world.

Even now, I can't even
Thank the Lord enough to
express my gratitude.

I DON'T KNOW HOW STRONG
THEY ARE BUT I SUPPOSE I COULD
EVEN HOLDOUT THEE FIGHTING THEM
WELL IF YOU EQUIP YOUR
LAST WEAPON.

THE TASK
I HAVE BE
GIVEN
THERE.

....



AND THE QUESTIONS
ARE POWERFUL CODE FROM 12
STAGE

SO, I'M GUESSING
WE WILL NEVER LET ANYONE FROM
ONE PASS.

WE WILL BE
RELEASED BECAUSE THEY
WILL THINK THAT WE WILL BE
SAD INTLIGENCE SINCE WE
COME FROM ONE.

...WHY
NOT?

IT'S DONE
NOW

Bad kid !!

I SWEAR I AM GOING TO
KILL THEM
AND-JIN
THE RESCUING OF ONE
CANNOT GO THERE.
COUGH
COUGH

IT'S EVEN RAN
INTO AN ACCLAID
ANDREW WHO ABOVE
COULD BE.

AND
LETS GO
TOGETHER.

YES... WORRY
GOOD
WHERE TO?

TO THE HEAVENS
WHERE THE LANDSCAPE OF HOLY
ALTER. I HEARD
THE PLACE IS
EVERGREEN.

WHAT...?

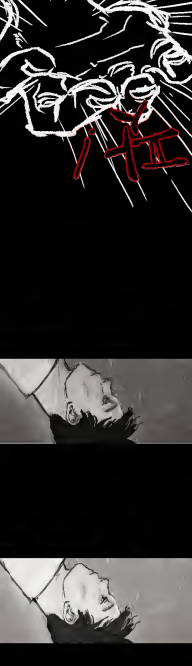
YOU KNOW WHAT?

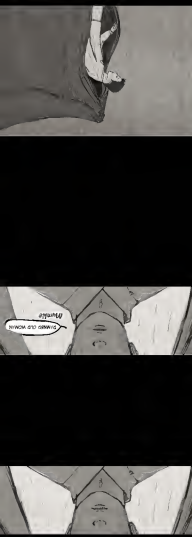
The only reason Myo-Jin
survived when he arrived
here as a baby was
Because of an old woman who
was determined to save him even
if it meant she would starve.

WHAT DID
YOU EXPECT ME
TO DO IN SUCH A
SITUATION!
Shout!

AND

I AM SO, SO
SORRY
I AM ALL ALONE
SCREAM HELP
COUGH !
COUGH !
COUGH !
COUGH !
COUGH !
HAHA
HAHA
COUGH !





As usual, it was running in Una.

THIS SPOT GETS SUNLIGHT.

SO, IT'S MINE.

He murdered the 4th guardian and took his place by force.

There was a valid reason for him to go so far to claim the place.

Because,

He'll never feel lonely

Evergreen with flowers

No blue sky, no starry night, no scorching summer, no freezing winter

It was simply the perfect place

What he loved the most was the view of sun from his star.

His star was located in far end to the East where it would welcome the rising sun the first.

Watching the bright giant ball of life was a beauty to behold.

While watching the bright sparkles of the sun,

He felt as if he had become the light itself

During those moments,

He could and would forget sadness, regrets, dreams, and happiness.

It was freedom.

However

The Gods of the Heavens started to voice their discontent about Myo-Jin who forcefully took over a seat of the 12 guardians.

SHOULD WE ALLOW SOMEONE FROM ONI TO BE ONE OF THE GUARDIANS?

SOON THE HEAVENS WILL BE LIKE ONI

DID YOU KNOW? THOSE WHO LIVE IN ONI ARE LIKE DISEASES...

THEY'LL PUNISH THE SINNERS

TO UNNECESSARY,

ONE GUARDIANS WERE THE ONES WHO PROTECTED US FROM ONI'S DARK AURA.

BUT NOW ONE OF THEM IS SCHEMING FROM ONI.

WHAT IS GOING TO HAPPEN??
